- A Unit is one banner in single designs and a 2 banner "set" in double designs, however 2 double sets meet minimum requirements.
- For banner sets, please double the prices shown.
- Imprint charges are per unit and per design (one imprint/both sides). Imprint charges for sets are the same as imprint charges for single design banners. Sets with two different imprint areas require double imprint screen charges and double imprint charges, if both imprint areas are utilized.
- Banner dimensions are width by length/height. Hems are included in total banner length/height.
